THE ACADEMY OF
GYMNASTICS

Inspiring Children

Updated March 2017

The Academy's Awards

During the recreational term, all Level 1, Level 2 and Level 3 gymnasts will be working towards their Academy Theme Awards. We have restructured our awards system to reflect that we celebrate inclusiveness and enjoyment for all.

Every term your child will earn their medal and certificate for the theme that they have worked hard towards. The theme will have specific skills to work and will be incorporated into your child's weekly class. The awards are earned through hard work and determination to the given skill set and presented at the end of the term. A charge of £4 has been added to your term fee to cover our award cost.

Our aim is to ensure all gymnasts can work their way through a greater number of awards over their gymnastics career; keeping them motivated, engaged and excited about the sport. The themes cover a wide range of core skills that we feel are important not only in gymnastics but in all sporting environments, helping to build a solid sporting foundation no matter which direction your child may take in the future.

The British Gymnastics Awards will be worked on in our Level 3 classes, where the children are old enough to understand that the badges and certificates are given once all skills are performed with competence.

Children of all ages may still book into our holiday badge camps for development and progression on the British Gymnastics Awards.
