CAR PARK NOTICE

It is a parent / guardians' responsibility to ensure that all children are supervised and safe while using the carpark. There is pressure on our Car Park at drop off and pick up times. It is imperative that parents/guardians use our Car Park responsibly and below are guidelines to ensure this area is kept as safe as possible.

Parking:

- Only park in marked bays
- Use the walkway when walking to the building
- Stick close to the building when waiting for a class to start
- Don't leave a car in the drop off zone, even if it is for a couple of minutes
- Keep to the speed limit and showing extra care when manoeuvring out of parking bays
- Should there be no marked bays available, find a space on Harbour Road and walk in

Walking Through the Car Park:

- Closely supervise your child walking through the car park
- Use the walkway when walking to the building
- Stick close to the building when waiting for a class to start
- Dismount and push bikes and scooters through the carpark

Exiting the Building Car Park:

- Closely supervise your child
- Use the walkway

As a shared car park, our neighbours also have large vehicles and machinery manoeuvring at times. By following the above rules, you are creating a safer environment for your children, their friends, and all our members.
