CODE OF CONDUCT FOR COACHING ACADEMY

The Academy is fully committed to safeguarding and promoting the wellbeing of all its members. The club believes that it is important that all members, coaches, administrators and parents associated with the club should, always, show respect and understanding for the welfare of others. Members are encouraged to be open and to share any concerns or complaints that they may have with either the Club manager or Welfare Officer. Contact details below.

As a member of The Academy you can expect our Coaching Academy Members to:

- Consider the well-being and safety of participants before the development of their performance.
- Develop an appropriate working relationship with participants based on mutual trust and respect.
- Encourage performers to value their performances and not just their results.
- Promote the positive aspects of the sport and club.
- Display consistently high standards of behaviour and appearance.
- Use appropriate language whilst involved with club activities.
- Report any incidents, referrals or disclosures immediately, to their Mentor or Club Manager.
- Familiarise themselves with, and comply with, The Academy's health and safety policies and procedures.
