Inspiring Children

## MOVEMENT POLICY

We operate all of our classes from our multi-use facility and we must ensure we have the necessary procedures in place to minimise any risk or potential risks for all members while moving around the facility.

It is imperative that parents/carers of any child, directly supervises their child when in the building until they are under the supervision of an Academy Coach.

In June 2021, we added an intercom system for entry to the building when an administrator is not present.
