HEALTH AND SAFETY POLICY

The Academy is committed to providing a safe working, coaching, teaching and learning environment for all personnel, candidates and any related third parties. All candidates and personnel have a legal responsibility, as stated under Section 7 of the Health and Safety at Work Act 1974, to do everything practicable to prevent an accident or injury to themselves and to fellow staff members and/or personnel. The quality coordinators (typically team leaders, assigned staff and managers) specific to each discipline are responsible for ensuring this information is fully understood by all staff.

The Academy aims to promote health and safety, so far as reasonably practicable, by ensuring: -

- The provision and maintenance of safe equipment that poses no risk to health.
- The provision of relevant information to participants, personnel and any related third parties including instruction, training and supervision, as is necessary to ensure health and safety.
- Maintenance of safe environments.
- Progressive identification and assessment of all risk-taking measures to eliminate or control it.
- Compliance with statutory regulation on health and safety and welfare of participants, personnel and any related third parties.
- The health and safety and welfare of vulnerable participants is addressed through positive action.
- All staff members are given training to identify and control potentially hazardous situations.

This list is not exhaustive and represents general principles that the company follow in respect of health and safety.
