Mobile Phone Policy

There is **zero tolerance** on mobile phone use whilst coaching at The Academy of Gymnastics. Phones must remain locked away in the staff room whilst you are working. They may be used during rest periods.

Photos and videos may be captured from the iPad in the main gymnasium. You **MUST NOT** use your own personal device to do so.

Additionally, the gymnasts' phones must remain in their cubbies in the Ruby Room or locked in the squad office (this is personal preference) whilst they are training. It is the coaches responsibility to ensure this is enforced. Gymnasts who wish to video or photograph themselves must use the iPad and send it to themselves.

As a means of contact, and as a paid Academy phone, the only mobile phone to be used in the gym is that belonging to the manager.

In case of an emergency whilst you are at work, your family/friends can contact you on the following numbers:
