### **THE ACADEMY OF GYMNASTICS CHANGE OF POLICY NOTICE**

The Academy of Gymnastics is committed to ensuring that all policies are effective for business, staff and customers to allow us to run daily operations safely for all concerned. For this reason, we review our policies annually and make necessary amendments / changes.

Occasionally due to a variety of circumstances it may be necessary to review and change a policy outside of the annual review. An important email sent via Iclasspro to parents and staff could temporarily supersede a policy. (eg. Facility access during COVID19) when this occurs you will be informed that this is a change to our current policy.

#### **Where to find our policies**

Additionally, our customers can find the link to our policies on our Iclasspro Portal, under your signed 'rules, terms and conditions' and also in the news section. For our squad parents our policies can be found on the private Squad Parents Area section of our website. For our staff our policies can be found on the private Staff Area of our website
