CORRESPONDANCE POLICY FOR PARENTS OF COMPETITIVE GYMNASTS

The management of correspondence can be a complex matter and so we have prepared some guidance for clarification. Any assistance or clarification needed regarding this policy, should be sought by emailing squadadmin@thegymacademy.co.uk

All correspondence from a parent should be sent via email in the first instance, either directly to a coach or to the whole Squad coaching team at the address listed above. Please do not contact coaching staff or managers by text message, WhatsApp or telephone, except in an emergency. Any communication by a minor must have their parents copied in to the message.

For Emergency purposes during training, please contact the admin desk on 01275 840077. Failing this, the internal Gym telephone can be contacted on 01275 400556 – this should only be used for emergency's when your child is in training.

Please note that coaches will only be available during their working hours. At times your communication may need to be referred to the weekly squad meeting, if this is the case you will be informed of this.
